IV. If the Commission should grant this Petition to Intervene, FEA shall waive service of process by means of personal delivery, United States mail, and parcel delivery service pursuant to WAC 480-07-150 (5) for all paper documents that are available in complete form by electronic means, provided that such documents are delivered electronically to the e-mail addresses (or by electronic media such as compact disk to the mailing addresses) set forth in Paragraphs II and III of this Petition.

V. FEA maintains military installations and civilian activities within the State of Washington that receive electrical service from Puget Sound Energy ("PSE"). As a large user of electrical service provided by PSE, the FEA has a significant interest in this proceeding and requests to intervene in order to ensure that the Public Interest will not be harmed by the proposed change in PSE ownership. No other party can adequately represent FEA's interest. FEA's participation can assist in the development of a sound record and is not expected unduly to broaden the issues or delay the proceedings.

VI. FEA wishes to reserve the ability to submit written testimony and exhibits in this hearing.

WHEREFORE, the FEDERAL EXECUTIVE AGENCIES seek leave to intervene and to be treated as a party to this proceeding.

Respectfully submitted,

DATED: November 13, 2018
