RE: Docket UE-180778—PacifiCorp's Decommissioning Study

PacifiCorp dba Pacific Power and Light Company is providing the results of the confidential contractor-assisted engineering study of decommissioning costs for the Jim Bridger, Dave Johnston, Hunter, Huntington, Naughton, Wyodak, and Hayden coal plants. The confidential decommissioning study is provided with this filing for informational purposes only at this time. PacifiCorp had committed to file the decommissioning study in this proceeding as part of its filing in Docket No. UE-101024 and PacifiCorp Multi-State Process. The contractor-assisted engineering study of decommissioning costs contains confidential information and is being provided under the terms of the Protective Order issued in Docket No. UE-180778. PacifiCorp will host a teleconference on January 17, 2020 to review the decommissioning study and it will be an agenda item at the next all-state depreciation meeting.

Please direct any informal inquiries in advance of the next all-state depreciation meeting to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,

_____/s/
