NWEC-RNW-NRDC DATA REQUEST NO. 017

NWEC-RNW-NRDC DATA REQUEST NO. 017:

Has PSE completed the Path Ratings Study process for Path 8 (Montana to the Northwest) under the Western Electricity Coordinating Council's rules and procedures? Please provide a copy of any and all such studies.

Response:

Puget Sound Energy ("PSE") has not completed such a process. It is PSE's understanding that NorthWestern, which is the Colstrip Transmission System Transmission Operator, has contacted the Western Electricity Coordinating Council and discussed the Path 8 rating in light of the closure of Colstrip Units 1 and 2. Please see PSE's Responses to NWEC-RNW-NRDC Data Request Nos. 014 and 016.
