RCW 34.05.325 requires that the Commission prepare and provide to commenters a concise explanatory statement about an adopted rule. In this docket, to avoid unnecessary duplications, the Commission has designated the discussion in the order,

including appendices, as its concise explanatory statement. Together, the documents provide a complete but concise explanation of the agency's actions and its reasons for taking those actions. All of those documents are available for your review on the Commission's website at www.utc.wa.gov/112133.

Please direct any questions about the rules to Yochi Zakai of the Commission Staff at 360-664-1207 or email at yzakai@utc.wa.gov.
