**Re: Monthly COVID-19 Reporting – June 2023
Docket U-200281**

Dear Director Maxwell:

Attached please find Puget Sound Energy's ("PSE") COVID-19 Energy Assistance and Past Due Balances Report for the month of June as required by Section K of the Third Revised Term Sheet in the above docket.

Going forward, PSE has changed the pledge data under question 2c. (the amount of past-due balances for known low-income households that are 30, 60, 90, and more than 90 days past due, and the total amount of these arrearages) to only reflect customers who have received energy assistance within the last 2 years. This eliminates the need for the corrected columns previously shown as "Prior Months Revised" section of 2c. PSE is now at the point where we are using almost 5 years' worth of energy assistance pledges in the response to question 2c. This format change is a reflection of the original intent of question 2c and is consistent with how PSE reports these metrics in the Multi-Year Rate Plan Annual Report, Attachment A, filed March 31, 2023 in Dockets UE-220066 and UG-220067.

Please contact Carol Wallace at (425) 424-7351 for additional information about these responses. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
