Re: *WUTC v. Puget Sound Energy*  
Dockets UE-072300 and UG-072301

Dear Mr. King:

On June 17, 2016, the Commission entered Order 29, Final Order Approving and Adopting Multiparty Settlement; Closing Docket in Dockets UE-072300 and UG-072301. Upon review, Commission Staff has noted that an error has accidentally been made in this order. To maintain the order's internal consistency, Commission Staff feels obligated to bring this to the Commission's attention.

In the third sentence of Paragraph 33 of Order 29, the amount of PSE's new, Commission-approved 24-hour restoration guarantee was accidentally misstated. Paragraph 33 states that the guarantee is for \$25, but it should state that it is for \$50. This error could cause confusion, as it is inconsistent with an earlier recitation of the Multiparty Settlement terms in Paragraph 26. Commission Staff's understanding is that Order 29's recitation in Paragraph 26 is correct and respectfully submits this letter to help avoid any misunderstanding.

Sincerely,

ANDREW J. O'CONNELL  
Assistant Attorney General
