**Amended Petition of Puget Sound Energy, Inc. For an Order Authorizing
the Use of the Proceeds from the Sale of RECs and CFIs**

PUBLIC COUNSEL DATA REQUEST NO. 049

PUBLIC COUNSEL DATA REQUEST NO. 049:

Please explain how off-system energy sales revenues were treated for ratemaking purposes in PSE's Washington retail jurisdiction during the period when PSE's sales to California utilities which were subject to litigation took place.

Response:

Off-system sales revenues were reported in Account 447 for both regulatory and financial reporting purposes. There were no rate filings for the time period when Puget Sound Energy, Inc.'s ("PSE") litigated sales to California utilities took place because PSE was in a five-year stay out period under the Merger Agreement for Washington Natural Gas and Puget Sound Power & Light Company.
