v.

AVISTA CORPORATION, d/b/a
AVISTA UTILITES,

Respondent.

DOCKETS UE-190334, UG-190335
AND UE-190222 (*Consolidated*)

ERRATA SHEET OF THE ENERGY
PROJECT

Pursuant to WAC 480-07-460(1)(a)(ii) and (6), The Energy Project (TEP) hereby submits the following errata to the Response Testimony of Shawn M. Collins, Exh. No. SMC-1T:

Page 1, lines 6-8:

Delete the words “Washington State Community Action Partnership housed at the” and “in Bellingham, WA.”

Page 1, beginning line 8:

Insert the sentence “TEP works in collaboration with the Washington State Community Action Partnership, as well as the agencies and organizations delivering low-income weatherization and bill assistance programs.”

For clarity, the corrected testimony reads:

I am the Director of The Energy Project (TEP), a program of the Opportunity Council. The Energy Project works in collaboration with the Washington State Community Action Partnership, as well as the agencies and organizations delivering low-income weatherization and bill assistance programs.

Dated this 13th day of January, 2020.
