Docket No. UE-06 \_\_\_\_\_

MOTION TO CONSOLIDATE

*I* PacifiCorp dba Pacific Power & Light Company (“PacifiCorp”) moves to consolidate the docket established for its April 27, 2006 filing for an increase in revenues for Washington operations not to exceed 2.99 percent for each customer class (the “2.99 Percent Rate Increase Filing”) with consolidated Docket Nos. UE-050684 and UE-050412.

2           The reasons for consolidation are twofold. The first reason is administrative efficiency, as key issues related to the need for the requested rate increase in the 2.99 Percent Rate Increase Filing have been fully litigated, and have either been resolved or are ripe for resolution, in consolidated Docket Nos. UE-050684 and UE-050412. The second reason is the advancement of just and reasonable ratemaking, as the 2.99 Percent Rate Increase Filing affords the Washington Utilities and Transportation Commission with one means of providing PacifiCorp with a portion of the rate relief it has justified in consolidated Docket Nos. UE-050684 and UE-050412.

3           Wherefore, PacifiCorp respectfully requests the motion be granted consolidating the dockets as requested herein.

DATED: April 27, 2006.

Respectfully submitted,

Stoel Rives LLP
