Scott,

I'm holding the newest "signed easement" as Gary just dropped it off just minutes ago. If you can drop off (or email works) a copy of our latest agreement that states the Club can switch our power provider at a maximum cost to the Club of \$9,790.50 (50% of \$19,581), then the "signed easement" is yours!

Hope this works!

The crew you have installing the conduit looks to be doing a great job! I'm impressed!!

Jeff
