RE: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Docket UE-152253

TO ALL PARTIES:

On September 12, 2016, Pacific Power & Light Company (Pacific Power or the Company) filed tariff sheets that the Company states comply with Orders 12 and 13, entered by the Washington Utilities and Transportation Commission (Commission) in the above-referenced docket on September 1, 2016, and September 9, 2016, respectively. The Company filed amended tariff sheets on September 14, 2016.

Parties may file responses to Pacific Power's compliance filings, specifically addressing two issues:

- The Company's treatment of debt interest on the selective catalytic reduction systems and the associated tax treatment Pacific Power used in its calculation.
- The Company's modification of the Idaho Power Asset Exchange classification from a pro forma adjustment to a restating adjustment.

Pacific Power and the other parties will also have an opportunity to reply to any responses received by the Commission.

**NOTICE IS GIVEN That parties who wish to respond to Pacific Power & Light Company's compliance filings on the specific issues, addressed above, must do so by 3:00 p.m., Wednesday, September 21, 2016.**

**NOTICE IS ALSO GIVEN That the Company and other parties may file replies to any responses the Commission receives and must do so by 3:00 p.m., Monday, September 26, 2016.**
