THE SCHOOL THAT WILL GET YOU A POSITION

SEATTLE BUSINESS COLLEGE

GREEN HANDS, NOBODY WANTS THEM ONLY THE TRAINED MAN WINS

The success of my graduates and the high standing of the Seattle Business College is the best evidence that you will get all and more than you pay for when you entrust your business training to us.

Investigate! There is a difference—

HELPFULNESS

The spirit of our school is helpfulness. The strong point in our work is Teaching—Helping. It is not enough to put the best books into the hands of a pupil and tell him that when he has a lesson prepared, we will hear him recite, we help him to study, to learn; when he needs the help and where he needs it.

Still further: when a student completes a course or is ready, we help him find a place—the best he is capable of filling.
