1 Pursuant to WAC § 480-07-355, the Industrial Customers of Northwest Utilities (“ICNU”) petitions the Washington Utilities and Transportation Commission (“WUTC” or “Commission”) for leave to intervene in the above-referenced consolidated Dockets, as an intervenor with full party status as described in WAC § 480-07-340. The business address of ICNU is:

2 The administrative rules that this petition puts at issue are WAC § 480-07-
340, -355.

3 ICNU is an incorporated, non-profit association of large industrial electric
customers in the Pacific Northwest. A list of ICNU members is included as
Attachment A. Many members of ICNU purchase power from Puget Sound Energy
("PSE"), as indicated on Attachment A.

4 ICNU's member companies have a substantial interest in PSE's proposed
rate increase. The proposed rate change would substantially and directly affect those of
ICNU's members who purchase power, transmission and distribution services from PSE.
ICNU requests leave to intervene in these consolidated Dockets to represent its members
who are affected by the proposed rate increase.

5 As described above, ICNU has a direct and substantial interest in this
proceeding that will not be adequately represented by any other party, and may be
affected by any Commission determination made in connection with this proceeding. It
is in the public interest to allow ICNU to intervene in this proceeding. ICNU, therefore,
requests that the Commission grant its Petition to Intervene and make ICNU a party to
this proceeding.

6

ICNU believes its participation in this proceeding will assist the Commission. Furthermore, ICNU's intervention in this proceeding will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7

WHEREFORE, ICNU respectfully petitions the Commission for leave to intervene in this proceeding.

Dated in Portland, Oregon, this 5th day of May, 2004.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
