Re: Docket UT-111816 - Washington Independent Telecommunications
Association, et al. v. McLeodUSA Telecommunications Services,
L.L.C. and PAETEC Communications, Inc. - Replacement Public
(Redacted) Copy of Settlement Agreement

Dear Mr. Danner:

After discussions with Administrative Law Judge Greg Kopta, the parties are filing a replacement public (redacted) copy of the Settlement Agreement.

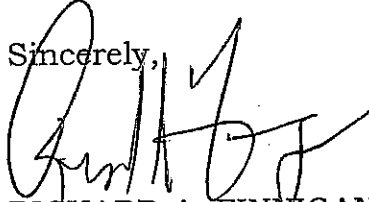

Due to the fact that the Settlement Agreement is a PDF document, the confidential matters are blacked out. Although this is slightly different than the requirements contained in the Protective Order, the parties request that the Commission accept this filing as the non-confidential version of the Settlement Agreement.

The original and three copies are enclosed.
