Please do not grant requests
the price increases they have
requested re. electric & gas.

I am an SSI & as you
are aware only received
a twenty dollar increase
last year.

Gas prices has risen to
2.76 per gallon.

Prescriptions for myself have
increased half of the original
price raising that bill to
\$300 or more. No animals.

Postage has increased a
sum how the \$20⁰⁰ I received
has resulted in a \$40 loss
each month. Same times more.
Also Christmas is coming so
I will need to get some

extra monies from
some bees mainly food.
I also am thinking about
canceling DISH! That
would save me \$80 a
month.

I do not ~~to~~ believe the
CEO & help need a huge
increase in pay.

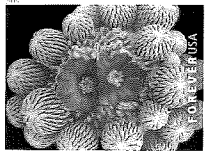

Thank you
