DTE Energy's electric utility subsidiary has a general rate case pending. DTE Electric is seeking an increase of approximately $388 million, based on a return on equity of 10.25% (up from the currently allowed 9.9%) and a common-equity ratio of 5.0% (unchanged). The staff of the Michigan Public Service Commission recommended a hike of $143 million, based on an ROE of 9.6% and the same common-equity ratio. An order is expected in the fall. This won't have much effect on the company's earnings this year, but will likely boost earnings in 2023, as long as the utility receives reasonable regulatory treatment.

DTE Gas is seeking an increase of approximately $141 million, based on a return on equity of 9.9% and a common-equity ratio of 5.0%. The staff of the Michigan Public Service Commission recommended a hike of $110 million, based on an ROE of 9.6% and the same common-equity ratio. An order is expected in late 2022 or early 2023.
