

Hi, A light shower on Dawn 11/07/19  
Once again Avista seeks rate  
increases against its customers  
(the most important stakeholders),  
to benefit its profits + stock  
holders, instead of managing  
its current profits to properly  
see to its operational needs.

I'm opposed to the rate in-  
creases. Stockholders are gamb-  
lers and customers should not  
have to assure they win their  
gamblers.

Public utilities should not be  
profit enterprise! Good things  
to you. ~~Tommy~~ Tommy Waler
