- 1 PROCEEDINGS
- 2 JUDGE MACE: Let's be on the record in re
- 3 application No. GA-0789133 of Matthews, Trystan, also
- 4 known as Trystan Matthews, d/b/a Recycle Whidbey for a
- 5 certificate of public convenience and necessity to
- 6 operate motor vehicles in furnishing solid waste
- 7 collection service, Docket No. TG-030325.
- 8 We are convened pursuant to notice in hearing
- 9 room 108 of the offices of the Washington Utilities and
- 10 Transportation Commission in Olympia, Washington on May
- 11 30th, 2003. My name is Theodora Mace. I'm the
- 12 administrative law judge who has been assigned to
- 13 preside over this matter.
- 14 I want to take the appearances of counsel and
- 15 of the applicant now, and when I say appearances, what
- 16 I mean is you are basically going to introduce yourself
- 17 for the record, and everyone today is going to have to
- 18 give me what we call a long form of appearance, and
- 19 that means you give your name, address, phone, fax,
- 20 e-mail, all that contact information. So I'll begin
- 21 with you, Mr. Matthews, if you would give us your
- 22 appearance for the record.
- MR. MATTHEWS: My name is Trystan Matthews.
- 24 I reside at 4907 Lakeside Drive. That's Langley,
- 25 Washington, 98260. Telephone number is (360) 321-4480.

- 1 JUDGE MACE: Thank you.
- 2 MR. WILEY: Good morning, Your Honor. David
- 3 W. Wiley with the law firm of Williams, Kastner, and
- 4 Gibbs, Two Union Square, 601 Union Street, Suite 4100,
- 5 Seattle, Washington, 98101-2380. My direct phone
- 6 number is (206) 233-2895. My fax number is (206)
- 7 628-6611, and my e-mail address is dwiley@wkg.com. I'm
- 8 appearing today on behalf of protestant Island
- 9 Disposal, Inc.
- 10 MR. SELLS: If Your Honor please, James Sells
- 11 appearing on behalf of protestant Washington Refuse and
- 12 Recycling Association. The address is 9657 Levin Road
- 13 Northwest, Suite 240, Silverdale, 98383; telephone,
- 14 (360) 307-8860; fax, (360) 307-8865; e-mail,
- 15 jimsells@rsulaw.com.
- MS. TENNYSON: Mary Tennyson, senior
- 17 assistant attorney general, for Commission staff. My
- 18 mailing address is PO Box 40128, Olympia, Washington,
- 19 98504-1012. Street address, 1400 South Evergreen Park
- 20 Drive Southwest; telephone, (360) 664-1220. Fax is
- 21 (360) 586-5522. My e-mail address is
- 22 mtennyson@wutc.wa.gov.
- JUDGE MACE: As is obvious from the
- 24 appearances, there have been two protests filed, one on
- 25 behalf of Island Disposal and one on behalf of

- 1 Washington Refuse and Recycling. So, Mr. Matthews, you
- 2 should be aware that there will be two parties who will
- 3 be challenging your application, and they are
- 4 represented by these counsel who have introduced
- 5 themselves today, and my understanding is that Staff
- 6 will participate as well, so we have Staff's appearance
- 7 today.
- 8 The next item I would like to discuss is --
- 9 well, typically in a prehearing conference, we would
- 10 talk about whether or not the parties would seek a
- 11 protective order. I'm not certain this is the type of
- 12 proceeding that would lend itself to that, but I will
- 13 ask the parties if any party seeks a protective order
- 14 in this case.
- 15 MR. MATTHEWS: I don't know what a protective
- 16 order is.
- JUDGE MACE: A protective order means if you
- 18 have certain information that you know will need to be
- 19 brought forward in the hearing but you feel its
- 20 confidentiality needs to be protected because it's
- 21 sensitive to your business. You know, it would be
- 22 revealing secrets to your competitors. Typically,
- 23 these are entered in telecommunications and utilities
- 24 cases, not so typically in these types of case, but I'm
- 25 just offering it as a possibility.

- 1 You don't need to make a decision now either.
- 2 If somehow down the road it appears you need to do
- 3 this, you can ask me and I can enter one. So does
- 4 anyone seek a protective order at this time? It
- 5 appears no one is interested in having that type of
- 6 order entered at this point.
- 7 The next item is the question of discovery.
- 8 This may be an issue in this case. There may be
- 9 questions that you want to ask the protestants or that
- 10 the protestants want to ask you. So in those
- 11 situations, what we would do if that's the case, we
- 12 would invoke the discovery rule, and it means you can
- 13 ask each other written questions, usually, about
- 14 certain aspects of each other's cases so you can get
- 15 information to prepare your cases. Are the parties
- 16 interested in my invoking the discovery rule?
- 17 MR. MATTHEWS: I don't think so.
- MR. WILEY: My only concern about the
- 19 discovery rule would be if there is a voluminous
- 20 listing of prospective witnesses, then the discovery
- 21 rule might be useful in terms of limiting the testimony
- 22 and shortening the record, but at this point, I don't
- 23 see...
- JUDGE MACE: My understanding from the
- 25 applicant, at least my review of your application is I

- 1 thought you talked about bringing in possibly three
- 2 witnesses?
- 3 MR. MATTHEWS: At least.
- 4 JUDGE MACE: Who would those witnesses be?
- 5 MR. MATTHEWS: Potential clients. As I
- 6 understand, Jerry Mingo, the hazardous waste and
- 7 recycling coordinator, will be coming down. For me
- 8 though, they will be mostly community members, maybe a
- 9 business owner.
- 10 JUDGE MACE: So you would anticipate possibly
- 11 three witnesses then?
- 12 MR. MATTHEWS: I would hope to have at least
- 13 that many.
- 14 JUDGE MACE: You need to know that there will
- 15 be a time when you will have to advise me actually how
- 16 many witnesses you are going to bring, and we would
- 17 want to avoid the situation of duplicative testimony.
- MR. MATTHEWS: Yes, definitely.
- 19 JUDGE MACE: Thank you. Do the protestants
- 20 have any idea of how many witnesses they would bring?
- MR. SELLS: I would have one, Your Honor.
- 22 MR. WILEY: I think I would have probably
- 23 two, possibly three, depending on the testimony from
- 24 the generators.
- JUDGE MACE: Will anyone from staff be

- 1 testifying?
- 2 MS. TENNYSON: Staff does not plan to present
- 3 any witnesses.
- 4 JUDGE MACE: Thank you. At this point, I'm
- 5 not going to indicate the discovery rule will be
- 6 invoked. If it becomes an issue, the parties can
- 7 notify me and I can take appropriate action.
- 8 The next thing we need to address is a
- 9 schedule for the proceeding, and I would think that
- 10 this would be the point we would go off the record and
- 11 let the parties talk about what would be a good
- 12 schedule. Let's be off the record so we can discuss
- 13 the schedule.
- 14 (Discussion off the record.)
- JUDGE MACE: Let's be back on the record.
- 16 The parties have discussed scheduling of this matter
- 17 and have agreed on hearing dates of July 15th and 16th,
- 18 2003. It's been suggested that perhaps we won't need
- 19 the 16th, but we will schedule that date just in case
- 20 there is some spillover to the next day.
- I have asked the parties to supply me with a
- 22 witness list by July 10th, by noon on July 10th. We
- 23 have discussed that the hearing may take place in
- 24 Coupeville on Whidbey Island, but we are not 100
- 25 percent certain, and I have indicated that I will

- 1 notify the parties as soon as possible as to the exact
- 2 location of the hearing.
- 3 Let me go over a couple of other items. One
- 4 has to do with documents that are filed. I will
- 5 indicate in the prehearing conference order how many
- 6 copies of documents you must bring with you to the
- 7 hearing. In other words, if you are going to have
- 8 exhibits for your witnesses, you will need to bring a
- 9 certain number of copies to the hearing, and I will
- 10 make sure you know in the prehearing conference order
- 11 how many that will be.
- MR. MATTHEWS: Okay.
- 13 JUDGE MACE: If you intend to make any other
- 14 kinds of filings, motion filings or what have you, all
- 15 filings must be made through the Commission secretary
- 16 either by mail to the secretary at Washington Utilities
- 17 and Transportation Commission, PO Box 47250, and there
- 18 is an address here. What I will do is I'll include all
- 19 this information in the prehearing conference order.
- 20 It will include information about placing filings on
- 21 certain types of computer disks in a certain format.
- 22 Most of this pertains more to utility-type hearings,
- 23 but I will include the information in the prehearing
- 24 conference order so everyone is aware of it.
- 25 Finally, I want to make sure that the parties

- 1 are aware that the Commission does encourage
- 2 stipulations or agreements, settlement agreements, so
- 3 if the parties are able to arrive at a solution, this
- 4 does not need to go to hearing. Mr. Matthews, as I
- 5 indicated to you, I strongly suggest that you contact
- 6 an attorney to represent you, and perhaps through some
- 7 form of negotiation, this matter can be settled. It
- 8 may not, but there is always that possibility, and we
- 9 usually ask the parties to explore that if it's
- 10 possible.
- If you need any assistance to arrive at a
- 12 resolution of the situation, give me a call and I will
- 13 see if I can't direct you to someone at the Commission
- 14 who can help you with that, and again, it may not be
- 15 possible, but I'm just offering that as a possibility.
- I think that that concludes the housekeeping
- 17 matters that I need to attend to at a prehearing
- 18 conference. Mr. Matthews, again, I've suggested that
- 19 you hire an attorney. If you don't, you certainly
- 20 would want to become familiar with the statutory
- 21 requirements that the Commission must consider in
- 22 determining whether they would give you a grant of
- 23 authority, and I think those are mentioned -- they are
- 24 mentioned in the notice of hearing, but I will mention
- 25 them again in the prehearing conference order. Do you

- 1 have copies of the statute? Did you receive those?
- 2 MR. MATTHEWS: No.
- JUDGE MACE: I'll attach a copy of the
- 4 statutory language that governs the granting of
- 5 applications of the type you've filed.
- 6 MR. MATTHEWS: Okay.
- 7 JUDGE MACE: Is there anything else that the
- 8 parties would like to address before we conclude?
- 9 MR. WILEY: One question and one comment,
- 10 Your Honor. The question is, will you be interested in
- 11 predistribution of exhibits ahead of time or not?
- 12 JUDGE MACE: Well, in this type of case, we
- 13 are not making allowance for an additional prehearing
- 14 conference. When you say "predistribution," do you
- 15 mean by mail?
- MR. WILEY: Many judges recently have been
- 17 asking for the primary witness exhibits that will be
- 18 sponsored by the witnesses around the same time that
- 19 the witness lists are due, and I'm just wondering if
- 20 you were going to want that or not. It doesn't really
- 21 matter to me.
- 22 JUDGE MACE: Staff indicates --
- MS. TENNYSON: I think it's an extra burden
- 24 on the parties.
- JUDGE MACE: I would say not. Maybe I'm

- 1 mistaken, but I'm not anticipating voluminous exhibits
- 2 in this case. If any party comes to July 10th and sees
- 3 that they are going to have over, let's say, 10
- 4 exhibits, let me know and I may make some provision for
- 5 predistribution, but other than that, I think as long
- 6 as you bring the number of copies that are required to
- 7 the hearing, we should be okay.
- 8 MR. WILEY: The other point, I want to
- 9 respond to your reference to counsel for the applicant
- 10 and I, of course, always encourage that. My concern
- 11 about that though, Your Honor, is past experience where
- 12 counsel is retained a few days before the hearing and a
- 13 continuance is requested almost automatically once
- 14 counsel is retained. If we could know one way or the
- other by a date that we know we are going forward on
- 16 the hearing on 15th and 16th, it would help us. If by
- June 30th, if counsel is retained and we know we are
- 18 going forward with the dates as scheduled, that would
- 19 be useful. What happens typically is that two days
- 20 beforehand, we get a continuance request. That's very
- 21 disruptive.
- 22 JUDGE MACE: Certainly. I had a case a week
- 23 or two ago where a pro se applicant came in and asked
- 24 for an adjournment right at that very point, and when
- you get all the parties together and all the witnesses,

- 1 it gets very -- it's prejudicial to ask for continuance
- 2 at that point, so I think that counsel's point is well
- 3 taken; that if you are going to hire an attorney, you
- 4 should do so immediately, and I want to hear -- you
- 5 should enter an appearance as soon as you hire him.
- If you find out or he finds out or decides he
- 7 needs more time to prepare, I don't want to hear about
- 8 it on July 14th. I want to hear about it ahead of time
- 9 so we can deal with the question of gearing up for
- 10 hearing, because it takes a certain amount of
- 11 preparation to get ready for a hearing. You have to
- 12 get your witnesses ready. Whatever preparation your
- 13 counsel or you are going to do for this hearing, other
- 14 counsel have to do too, and it does take time and
- 15 effort and money, and let's try to do it in a way
- 16 that's professional and courteous. I guess by July
- 17 10th, certainly, I should hear from either you,
- 18 Mr. Matthews, or your counsel to know if there is going
- 19 to be any problem with going forward.
- MR. MATTHEWS: Okay.
- 21 JUDGE MACE: Anything else? We are adjourned
- 22 until July 15th.
- 23 (Prehearing conference adjourned at 10:00 a.m.)
