

To Whom It May Concern:

I wish to express my desire to have Airporter Shuttle--Bellaire Charters provide direct delivery of passengers to the Coast Gateway Hotel in Seattle, Washington. I have found it to be a great inconvenience for the shuttle to drop me off at the airport (SeaTac) and then have to make my own arrangements with the hotel for pickup to their facility.

Coming from California, we have moved aboard our boat which we cruise in the San Juan Islands. We make trips back to California approximately every 3 month and have guests visit from there. I have found the Airporter Shuttle to be an accessible and efficient means of travel to and from our varied destinations, particularly Anacortes and Bellingham.

Frequently, due to flight times and various schedules, we (or our guests) need to stay in Seattle overnight. I have found the Coast Gateway Hotel to be very handy for this reason and have used it in conjunction with my Airporter Shuttle reservation. It has, however, been an inconvenience and is obviously less efficient to be dropped at the airport having then to call the hotel for their shuttle to pick me up.

To conclude, I hope that my request will be considered and the next time I plan to stay at the Coast Gateway Hotel having used the Airporter Shuttle, I will be taken there directly.

Sincerely,
Diane Simpson
