RE: Interconnection Agreement Amendment between Frontier Communications Northwest Inc. and Silver Star Telecom-Washington, LLC, Docket No. UT-053096

Dear Mr. Warta:

On June, 19, 2012, Frontier Communications Northwest Inc. and Silver Star Telecom-Washington, LLC (Silver Star) filed with the Washington Utilities and Transportation Commission (Commission) a request for approval of an interconnection agreement amendment. The amendment is a delegated item scheduled for approval by September 16, 2012.

WAC 480-07-640 requires interconnection agreement amendments be submitted for approval within 30 days after they are signed. The last signature appearing on the interconnection agreement amendment is dated May 15, 2012; therefore, the interconnection agreement amendment was filed five days late. The Commission reserves the right to investigate and, if appropriate, commence a separate proceeding to complain, enforce, and penalize Silver Star for failure to meet the filing requirements.

For further information, or if you have any questions, please contact Kristen Russell at krussell@utc.wa.gov or (360) 664-1281.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
