Re: Update to PacifiCorp's 2007 Integrated Resource Plan in UE-071062

Dear Ms. Washburn:

Enclosed are an original and two (2) copies along with a compact disc of PacifiCorp's 2007 Integrated Resource Plan (IRP) Update. Copies of the report are available electronically and will be posted on PacifiCorp's website, at www.pacificorp.com.

The Company's 2007 IRP was filed with the Washington Utilities & Transportation Commission ("Commission") on May 30, 2007. The IRP Update is submitted for informational purposes and no action is required by the Commission. PacifiCorp is in the process of developing the 2009 IRP. In an effort to better align the IRP with PacifiCorp's business plan, within the next two weeks PacifiCorp anticipates filing a petition to modify the filing date for future IRPs to be due in the odd numbered years by March 31.

It is respectfully requested that all Staff requests regarding this filing be addressed to the following:
