Re: General Rate Filing, UW-090819
Replacement Tariff Sheets

Dear Mrs. Danner:

Enclosed are replacement tariff sheets nos. 21, 22, 23, 25 and 26, which supersede the ones submitted on September 4, 2009. Sheets No. 1 and No. 20 are hereby withdrawn.

Under WAC 480-110-425, a water company must provide each affected customer a notice at least thirty days before the requested effective date of the proposed rate increase. Although the new rate design is different than that originally filed and noticed by the Company, the revised rates are lower than the originally filed rates. Therefore, the Company requests a waiver from customer notice requirements, and proposes to notify customers on their next billing in October 2009.

If you have any questions concerning this request, please contact me.

Very truly yours,

Gregory G. Roats, P.E.
General Manager
