RE: Docket Numbers: TR-110157 USDOT #096649C

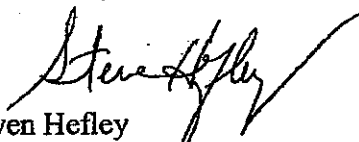

I also am requesting a 60 day extension on Docket No. TR-110157 USDOT#096649C Hewitt Road, as I would like more time to negotiate a settlement with the City of Elma and the County of Grays Harbor concerning Puget Sound and Pacific Railroad grade crossing petitions.

I recently had a meeting with a representative for the City of Elma and feel we are making some progress towards a settlement which will improve the safety of the public.

It is my understanding that there are no objections to my request to a 60 day extension.

Thank you for your consideration,

Sincerely,

  
Steven Hefley  
General Manager
