RE: Peninsula Sanitation Service, Inc.  
G-011  
Docket TG-120283

Dear Mr. Danner,

The above named Company is docketed on April 26, 2012 open meeting at item B.1. with a proposed general rate increase to be effective May 1, 2012.

Commission Staff and Company Representatives have not mutually agreed upon the final revenue requirement for this filing. Jointly we would request a thirty day extension of the effective date to June 1, 2012 rather than having the case suspended which would be potentially very expensive for both parties.

I believe and hope the parties can come to resolution on this matter the first part of May and present it for the Commissioner's consideration and action no later than the Open Meeting on May 31, 2012.

If there are any questions please contact me.

Yours truly,

Weldon T. Burton CPA
