RE: *In the Matter of a Penalty Assessment Against Green Mountain H2O,*
Docket UW-120865

TO ALL PARTIES:

On July 13, 2012, the Washington Utilities and Transportation Commission (Commission) assessed a penalty of \$2,100 against Green Mountain H2O (Green Mountain or Company), for violation of WAC 480-110-505. This rule requires water companies to file annual reports with the Commission by May 1 each year.

On October 18, 2012, Green Mountain filed a letter with the Commission requesting that the penalty be waived.

On December 4, 2012, the Commission entered Order 01, Order Partially Suspending Penalty, Subject to Condition (Order 01). Order 01 suspended the penalty of \$2,100 assessed against Green Mountain in the amount of \$600 subject to the condition that Green Mountain files its 2012 annual report by May 1, 2013. Order 01 further states that if the Company fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission.

Commission records indicate that Green Mountain did not timely file its 2012 annual report by May 1, 2013. Accordingly, Green Mountain H2O has not complied with the conditions under which the Commission suspended \$600 of the \$2,100 penalty assessment. The suspended penalty amount of \$600, therefore, is now due and payable.
