**RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-121025**

Dear Sir or Madam:

As you are aware, on August 12, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Yak Communications (America), Inc. (Yak Communications) in the amount of \$900 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the Commission by May 1 each year. On August 14, 2012, Yak Communications requested mitigation of the penalty. On September 26, 2012, the Commission entered Order 01, Order Mitigating and Partially Suspending Penalty, Subject to Conditions (Order 01). Order 01 suspended the penalty of \$900 in the amount of \$300 subject to the condition that Yak Communications files its 2012 annual report by May 1, 2013. Order 01 further states that if Yak Communications fails to timely file its 2012 annual report, the suspended penalty will become due without further action by the Commission. Yak Communications failed to file its 2012 annual report by May 1, 2013, and the suspended penalty of \$300, therefore, is now due and payable. The Commission sent Yak Communications a Second Notice on October 2, 2013, and a Final Notice on November 6, 2013.

The Commission has not received the \$300 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$300 balance.
