RE: Transmittal of substitute pages for Docket TC-131269

Dear Mr. King:

Shuttle Express is submitting the attached “Substitute Page 8-9 TARIFF No 10” to replace the current versions on record with the WUTC records center in Docket TC-131269. We ask that the commission allow these substitute pages to act in lieu of the originals for the suspended filing at the agreement and recommendation of WUTC Staff.

This replacement tariff pages make the following changes:

1. Adjustment of effective date to August 31, 2013 per request dated July 19, 2013
2. Adjustments to fares on Original Page 8 and Original Page 9 based on Staff review and recommendation

No changes other than those listed above have been made to the originally filed documents.

Thank you in advance for your consideration; we are optimistic of receiving approval for this request from the Commission.

Respectfully,

Wesley A. Marks  
Accounting Manager
