RE: Rabanco Ltd. / Klickitat County, Tri County Disposal Tariff Filing

Dear Mr. King:

Enclosed please find supplemental support requested by John Cupp related to proposed Tariff No.8 of Rabanco Ltd, Certificate G-12, (dba Allied Waste Services of Klickitat County, Tri-County Disposal). The attached documents are customer notification letters. There are 5 letters; the intended communication for each is as follows:

1. Notification of proposed increase in rates for current Tri-County Disposal UTC Residential customers
2. Notification of proposed increase in rates for current Tri-County Disposal UTC Commercial customers
3. Notification of proposed rates for new Tri-County Disposal UTC White Salmon Residential customers
4. Notification of proposed rates for new Tri-County Disposal UTC White Salmon Commercial customers
5. Additionally, I have attached a letter that has been created jointly by the City of White Salmon and Republic Services to be distributed prior to the WUTC notification to notify city residents that Republic Services, regulated by the WUTC, will assume responsibility for trash collection.

If you have any questions please don't hesitate to contact me.

Sincerely,

Connor Vander Zalm
