RE: *In the Matter of Determining the Proper Carrier Classification of, and Complaint for Penalties Against, Bobby Wolford Trucking & Salvage, Inc. d/b/a Bobby Wolford Trucking & Demolition, Inc., Docket TG-143802*

TO ALL PARTIES:

On January 16, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Instituting Special Proceeding, Complaint Seeking to Impose Penalties, and Notice of Hearing set for February 18, 2015, at 1:30 p.m. The Complaint alleges that on 191 separate occasion between September 1, 2014, and September 30, 2014, Bobby Wolford Trucking & Salvage, Inc. d/b/a Bobby Wolford Trucking & Demolition, Inc. transported solid waste for disposal without a certificate of public convenience and necessity issued by the Commission under RCW 81.77.040.

On February 11, 2015, Commission Staff (Staff) notified the Commission that the parties reached a settlement in principle, but agreed more time is needed to finalize the settlement. Staff requests, on behalf of the parties, that the remaining procedural schedule in this matter be suspended and that the parties be permitted to file a settlement agreement or a report on the status of their settlement negotiations no later than February 25, 2015.

The Commission finds good cause to suspend the procedural schedule and therefore grants the parties' request. The parties must either file a settlement agreement and supporting documentation or a report on the status of their settlement negotiations by February 25, 2015.

**THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended. By February 25, 2015, the parties must either file a settlement agreement and supporting documentation or a status report of their negotiations.**
