Re: Puget Sound Energy 2018 Expedited Rate Filing
Dockets UE-180532 and UG-180533

Dear Mr. Johnson:

Enclosed for filing is testimony and exhibits supporting Puget Sound Energy's ("PSE") expedited rate filing ("ERF") containing updates to its electric and natural gas rates. The testimony and exhibits listed below provide evidentiary support for the expedited rate filing (tariff filing) made earlier today by PSE, and should be filed under the same docket as the PSE tariff filing.

Enclosed is:

1. Prefiled Direct Testimony of Katherine J. Barnard, Exhibits KJB-1T through Exhibit KJB-4;
2. Prefiled Direct Testimony of Susan E. Free, Exhibits SEF-1T through Exhibit SEF-7; and
3. Prefiled Direct Testimony of Jon A. Piliaris, Exhibits JAP-1T through Exhibit JAP-13.

Additionally, PSE is providing workpapers to counsel and to the Commission policy staff. Due to size, workpapers detailing the revenue requirement, rate spread and rate design are being delivered to counsel and the Commission's policy staff in disk format, by overnight mail. PSE has verified that on the Confidential version of the disk, the links within the workpapers are functioning correctly.

Please do not hesitate to contact me if you have any questions.
