To Whom it may concern,

My name is John Comella and I am writing on behalf of Matthew T. Comella, who is my son. I respectfully request that his State license be granted.

It is true that Matthew has made mistakes in his life, which have had terrible consequences. I know first-hand how deeply Matthew regrets the problems he has caused. During our visits, he has told me that he regrets his actions of the past and would give anything to undo what he did.

His time in counseling and personal reflection have made Matthew a better person. He is truly a good man, and I am confident that, given the opportunity, he will prove that he can make a positive contribution to society. Matthew is an intelligent and determined person driven to repair his life move forward toward the future.

Let me assure you that, if his State license is granted, he has the support of his entire family. We will give him all the personal and emotional help he needs to help avoid failure.

Sincerely,

Lt. John Comella ret.
