**Re: Docket No.: UT-200114
Petition for Approval of Amendments to the Qwest
Performance Assurance Plan and Performance Indicator
Definitions to Implement the FCC's 2019 Forbearance Orders
Confirmation ID 16793**

Dear Mr. Johnson:

CenturyLink is refileing the clean version of Exhibit B (identified in the filing as Appendix 3A). There was a formatting issue with the document while converting the redlined version and not all the page footnotes updated, and sporadic sections retained the text strike-through even after accepting the changes. Please use this version instead. The original was filed under Confirmation ID 16793.

Sincerely,

/s/ Lisa A. Anderl
