______________________________

COMES NOW the Washington Refuse and Recycling Association (WRRA) and respectfully petitions to intervene in the above matter pursuant to WAC 480-07-355, and in doing so alleges as follows:

1) Proposed intervenor's address is: 4160 - 6th Ave. SE, Suite 205, Lacey, Washington 98503.

2) WRRA is a trade association representing the vast majority of regulated solid waste collection companies in Washington state. As such, it has taken part as a party, intervenor or interested party in virtually every WUTC hearing regarding solid waste since the inception of regulation of solid waste. Matters involving regulation of the solid waste industry are of interest to the members of WRRA, who would not be parties in this action. The issues presented in this action are of substantial interest to the solid waste industry in Washington in general, and to all individual G-certificate holders who are members of WRRA. Any adjudication with the potential to set policy for the industry should include representation from the regulated companies.

3) A trade association such as WRRA is included in the definition of "person" in WAC 480-07-340(1)(a). WAC 480-07-355(1)(a) provides that "any person" may file a Petition to Intervene.
4) WRRA’s participation as an intervenor in this action will not broaden the issues in the matter. At this time, WRRA does not intend to call any witnesses at hearing but reserves the right to do so should issues brought by the primary parties result in the presentation of witnesses by WRRA being helpful to the Commission.

5) WRRA’s position in this action is expected to be in support of the Protestants.

6) WRRA has filed a separate petition to intervene in a related proceeding, Docket TG-220215 In the Matter of: Formal Complaint of Basin Disposal, Inc. Against Jammie’s Environmental, Inc.

7) Proposed intervenor’s attorney is:

   Phone: 360-943-8859

7) WHEREFORE, WRRA prays that it be allowed to participate as an intervenor in this matter.
