**NOTICE CLARIFYING NOTICE OF OPPORTUNITY TO  
FILE WRITTEN COMMENTS ON PUGET SOUND  
ENERGY'S GAS CLIMATE COMMITMENT ACT TARIFF**

Re: Puget Sound Energy's Gas Tariff Revision  
**Docket UG-230470**

TO ALL INTERESTED PERSONS:

On June 22, 2023, the Commission filed a Notice of Opportunity to File Written Comments related to Puget Sound Energy's Gas Climate Commitment Act Tariff in Docket UG-230470. The Notice set a deadline to file written comments by July 3, 2023.

In response to the Notice, the NW Energy Coalition and the Public Counsel Unit of the Attorney General's Office filed requests to extend the deadline for written comments.

Washington Administrative Code (WAC) 480-07-900(5)(c) provides as follows:

All written comments in response to an open meeting item should be submitted to the Commission at least three business days in advance of the meeting to enable the commissioners to consider those comments during the meeting. Persons are not required to submit written comments about an open meeting item to make oral comments at the meeting.

This item will be heard at the Commission's recessed open meeting on July 21, 2023. By this Notice, the Commission clarifies that parties have until July 18, 2023, to file written comments. The Commission requests, however, that interested persons submit written comments by 5 p.m. on July 3, 2023, to allow sufficient time for the Commission to fully consider their proposals.
