## HELLO THERE

Do you know that "The Sampson Hair Specific" is the only hair tonic in the world that guarantees, under the Food and Drug Act of June 30, 1906, to stop the hair from falling when falling from fevers or any other cause, and to cure dandruff, no matter how long standing, or how bad, and to restore the hair and stop itching of the scalp?

All leading druggists and department stores have it for sale.

Write for our book, "How to Have Nice Heads of Hair."
