Re: TG-071194 *Waste Connections of Washington, Inc. v. Enviro/Con & Trucking, Inc., et al.*

Dear Mr. Danner:

This follows the extension of time to January 29, 2010 granted to all parties to consider further action with respect to the Order No. 7 entered November 19, 2009 in this matter. After considerable further reflection and review, this is to inform you that the complainant, Waste Connections of Washington, Inc., does not intend to file a petition for administrative review of that Order.

Please contact me if you have any questions or concerns with regard to this matter and we again appreciate your courtesies in this matter.

Yours truly,

David W. Wiley
