Comments Regarding TR-150189

Dear Mr. King,

As the owner of property located at 7825 Valley View Road and the majority of the frontage along Valley View Road next to the proposed railway crossing, I would like to enter comments on the Petition for the Closure of a Highway-Rail Grade Crossing - USDOT Crossing No. 096110B - Valley View Road - Railroad Milepost 0.58.

After a review of the petition, including the SEPA Environmental Checklist, the Description of Closure, and the proposed mitigation alternatives, **I have no objection to this project.** It appears that the impact will be minimal to my property as we access Valley View Road from Portal Way.

Best Regards,
