Re: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Docket UE-152253

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 15, rejecting tariff sheets as filed, in Docket UE-152253, on September 30, 2016 (Order 15). Order 15, among other things, rejected the initial tariff proposals by Pacific Power & Light Company (Pacific Power), including the revisions filed on September 12 and 14 and clarified Orders 12 and 13. Additionally, Order 15 authorized the Commission Secretary to approve by letter, with copies to all parties, revised tariff sheets that comply with the requirements of Orders 12 and 13.

On October 3, 2016, Pacific Power filed tariff sheets governing electric service. The Commission has reviewed the tariff sheets and they do, in fact, comply with the terms of Orders 12 and 13.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of October 4, 2016.

STEVEN V. KING
Executive Director and Secretary
