RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*,
Dockets UE-090704 and UG-090705 (*consolidated*)

TO THE PARTIES:

The Commission gives notice that it will conduct an order conference pursuant to WAC 480-07-840, as requested by the parties, beginning at 1:30 p.m. on Tuesday, April 6, 2010. The subject of the conference is Order 11, the Final Order entered in this proceeding on April 2, 2010.

The purpose of the order conference, which will not be recorded, is to explore and resolve any barriers to compliance, to consider technical changes that may be required to correct the application of principles to data or to correct any patent error. If necessary, the Commission will establish further process to resolve any matters that cannot be resolved during the conference.

The conference is not a forum for discussing or challenging the evidentiary, legal, or policy decisions expressed in Order 11. Parties may pursue those remedies, as appropriate, through a petition for reconsideration or by other means.

Thank you for your attention to this matter.

Sincerely,
