RE: Docket Nos. UE-090704 and UG-090705 (Consolidated)
Substitute Tariff Sheet – **Do Not Redocket** – Filed Electronically
Advice No. 2010-09 – Electric Tariff Filing

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company” or “PSE”) hereby submits, in connection with Docket Nos. UE-090704 and UG-090705 (Consolidated), the following substitute tariff sheet to replace one of the tariff sheets filed on April 5, 2010, under the Company’s Advice No. 2010-09. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s tariff for natural gas service.

WN U-60, Tariff G, Electric Service (Advice No. 2010-09):

8 th Revision	Sheet No. 449-i	Retail Wheeling Service (Continued)
--------------------------	-----------------	-------------------------------------

The purpose of this filing is to provide a substitute tariff sheet correcting the scrivener’s error in the rate on this sheet. The rate for primary voltage distribution service was shown as \$4.0020 and this substitution corrects the rate to \$4.020 in accordance with the supporting work papers.

The enclosed substitute tariff sheet reflects an issue date of April 6, 2010, and an effective date of April 8, 2010. This substitute tariff sheet addresses Commission concerns with the filing, therefore, substitution should be allowed as provided in WAC 480-80-111(1)(a).

Please contact Lynn Logen at (425) 462-3872 or at lynn.logen@pse.com for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,

Lynn F. Logen, Tariff Consultant
