[13] The preliminary engineering and planning costs are included in the caged and		
cageless space construction charges. These engineering and planning charges are also		
included in the caged and cageless quote preparation fees. Upon completion of the		
collocation construction, the quote preparation fee (QPF) will be credited to the final space		
construction charge for the collocation job. The credit will apply to whichever QPF is		
applied. This exhibit currently lists multiple QPFs based on what has been proposed on the		
cost docket and what was approved in the AT&T interconnection agreement. CLEC may		
choose either QPF at this time.
