Verizon Response to WUTC Staff Data Request No. 54
July 8, 2004

DATA REQUEST NO. 54:

In a format similar to Confidential Revised Exhibit No. (SMB-3C) provided on May 14, 2004; please provide the rates, line counts, and revenues for all switched and dedicated access lines that the company sold (e.g. “billable lines”) during the month of September 2003, State of Washington, intrastate. Please include all services including those already provided along with all services not already provided in SMB-3C. Please also categorize the billable lines by class of service, type of service, and whether each service is a) tariffed, b) price listed, or c) contracted. The following table provides an example of the format requested (please expand the table to enable the inclusion of all switched and dedicated lines sold on a Washington intrastate basis):
