

**REDACTED HIGHLY CONFIDENTIAL PER PROTECTIVE ORDER
IN WUTC DOCKET NO. UT-042022**

BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

SANDRA JUDD, et al.,

Complainants,

v.

AT&T COMMUNICATIONS OF THE
PACIFIC NORTHWEST, INC.; and
T-NETIX, INC.,

Respondents.

DOCKET NO. UT-042022

**COMPLAINANTS' MOTION FOR
LEAVE TO FILE SUPPLEMENTAL
DECLARATION OF KENNETH L.
WILSON DATED MAY 27, 2005**

1. On May 20, 2005, the Commission denied AT&T's objection to the designation of Ken Wilson as an outside expert in this proceeding. This cleared the way for Mr. Wilson's review of confidential and highly confidential documents. Mr. Wilson has now reviewed documents that were so marked by T-Netix. He was unable to review any such documents before May 20, 2005. AT&T has not produced any documents marked confidential or highly confidential.

2. A good number of the T-Netix documents are relevant to the issues raised by T-Netix's motion for summary determination and AT&T's response joining in that motion. Complainants respectfully request permission to supplement the record with a short declaration by Mr. Wilson and a limited subset of the relevant documents. Good cause for supplementation exists because (a) AT&T's objection prevented Complainants from fully utilizing Mr. Wilson until now; (b) the documents

and Mr. Wilson's opinions are highly relevant to the issues pending before the Commission; and (c) the additional material may assist the Commission in resolving the motions before it.

7. Complainants respectfully request that the Commission grant their motion for leave to supplement the record.

DATED: May 27, 2005.
