Subject: Tom Baffney just called...

Scott,

Just talked with Tom Baffney and he said "If this is the case, I'll need to hold on the contract once again and talk this over with our Board once again. We think PP&L won't do this, but if they really do, does the Club want to absorb this cost?"

Gary Hanson has said if PP&L does pull all the conduit, he is still willing to go through with this...but he was assuming that REA would be picking up the cost to lay new conduit and repair all areas of the Club property that is damaged in the conduit removal.

Let me know!

Jeff
