JUNE 30, 2017

Work History

Director, The Energy Project

Opportunity Council / Washington Community Action Partnership August 2015 – Current

The Energy Project is a collaborative effort between the WA Community Action Partnership (CAP) and the WA State Department of Commerce and is housed within Opportunity Council. Responsibilities as the Director include providing expert witness testimony on behalf of the 30 CAP agencies throughout WA in general rate case proceedings at the WA Utility and Transportation Commission, facilitation of state and region-wide stakeholder discussions and planning sessions pertaining to energy conservation, energy assistance programs, and consumer protections impacting low-income populations, formal advisement of utilities regarding programs serving low-income households, providing testimony at legislative hearings, management of a legal team and various consultants, budget development and management, program evaluation, strategic planning, presenting at national and regional energy affordability conferences, and various other roles and tasks.

Associate Director, Home Improvement Department

Opportunity Council May 2014 – August 2015

Co-management of a department comprised of 20 employees organized in multiple work groups serving low-income households in four counties through various housing program services. Responsibilities included new program and fund development, creation and management of budgets, direct supervision of 10 staff members, communication with key funders and contract managers, strategic planning, and various outreach and public speaking engagements.

Community Energy Challenge Manager

Opportunity Council August 2009 – May 2014

Founding Team Member and Manager of a community based energy efficiency program with an annual budget of \$3 million. Range of duties included initial program design and implementation, supervision of an 8 person team, budgeting, oversight of >20 local home performance contracting firms, program evaluation, and community outreach.

Community Services Outreach and Development Coordinator

Opportunity Council April 2006 – August 2009

Responsibilities included fund-raising for a variety of social service programs, grant writing, special event coordination, management of the Community Voice Mail Program, management of the Basic Food Education and Outreach Program, and development, implementation, and evaluation of the Telecommunication Consumer Education and Training Program.

Community Resource Coordinator / Program Development Specialist

Skagit County Community Action Agency February 2005 - April 2006

Administrator of Federal Emergency Management Agency (FEMA) funds for Skagit County, managed the Community Voice Mail Program, and Administrator for Skagit County Emergency Food Assistance Program funds. Responsibilities for coordinating the Mobile Food Express Program, coordinated Basic Food outreach, grant writing and research, and direct employee supervision.

Community Relations Team Leader

Skagit County Community Action Agency March 2004 – February 2005

The responsibilities of this one-year National Service program through AmeriCorps*VISTA position included the initiation of a new media relations program, event organization, grant writing, publishing a quarterly newsletter, volunteer instruction, database management, and public outreach.
