- 1     Administrative Law Judge Adam E. Torem entered Order 08, Initial Order Denying Motion for Leave to File Amended Complaint, in this docket on November 19, 2009.
- 2     No party petitioned for administrative review of the initial order within the time for filing petitions for administrative review. On December 2, 2009, the parties to the proceeding sought an extension until January 29, 2010, to file petitions, with answers to petitions due on February 12, 2010. On January 29, 2010, Waste Connections of Washington, Inc., Waste Management Disposal Services of Oregon, Inc., and Enviro/Con & Trucking, Inc., filed letters stating that the companies did not intend to seek administrative review of the order. Further, the Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion.
- 3     Therefore, under RCW 80.01.060(3), the order became final on January 30, 2010, by operation of law.

4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
