Dear Jeff,

Columbia REA welcomes and appreciates that opportunity to provide power to the Walla Walla Country Club. Under our line extension policy, we will reimburse you 100% of the final cost to remove Pacific Power facilities from the Country Club. Then we will bill you for 50% of the fees over 36 months with no interest charged. These payments will be added to the normal monthly bills.

If you have any questions regarding the project please contact me at your convenience.

Sincerely,

Scott Peters
Manager of Marketing & Member Services
