Subject: Meter and billing settlement (Exh. Nos. SP-1 and SP-2T)

After reviewing the transcript from February 17, 2012, I've discovered that Exhibit Nos. SP-1 and SP-2T (the Partial Settlement involving meter and billing performance standards) were marked for identification but not admitted into evidence. Please indicate by tomorrow, February 29, 2012, by 5:00 p.m. whether any party wishes to object to their admission. Otherwise, I will admit the exhibits as marked.

Thank you.
