

**BEFORE THE WASHINGTON
UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of

PACIFIC POWER & LIGHT
COMPANY,

Petition For a Rate Increase Based on a
Modified Commission Basis Report, Two-
Year Rate Plan, and Decoupling Mechanism.

DOCKET UE-152253

ATTESTATION OF
ETTA LOCKEY

I, Etta Lockey, hereby declare that the statements below are true to the best of my knowledge and belief, and that I understand these statements are admissible as evidence in legal proceedings and subject to penalty for perjury.

1. My full name is Etta Lockey. I am Vice President, Regulation of Pacific Power, a division of PacifiCorp.
2. I am making this attestation in compliance with Paragraph 308 of Order 12 in Docket UE-152253, issued by the Washington Utilities and Transportation Commission on September 1, 2016. Order 12, among other things, found Pacific Power's decision to proceed with the Supervisory Control and Data Acquisition Energy Management System (SCADA EMS) and the second phase of the Union Gap Substation upgrade (Union Gap) prudent, and authorized Pacific Power to include the SCADA EMS and second phase Union Gap expenses as a pro forma rate base additions in the second year of the rate plan.
3. Order 12 required Pacific Power to file an attestation and supporting documents for actual booked expenditures and rate base amounts for these

projects, as well as for the Selective Catalytic Reduction (SCR) system installation on the Jim Bridger generation facility Unit 4, by July 1, 2017.

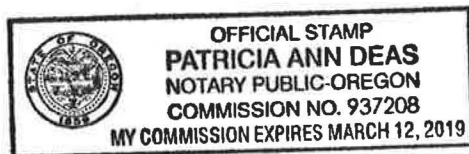

4. The SCADA EMS project was completed and released for operation on April 26, 2016. The final total cost for this project was \$33.4 million.
5. The second phase of the Union Gap project was completed and released for operation on May 23, 2016. The final total cost for this project was \$20.3 million.
6. Installation of the SCR system at Jim Bridger Unit 4 was completed and the unit was released for operation on November 21, 2016. The major maintenance overhaul at Jim Bridger Unit 4 was completed and has been released for operation on October 31, 2016. The final total cost for this project was \$130.2 million.
7. Supporting documents for the actual booked expenditures and rate base amounts of the projects are being filed concurrently with this attestation.

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct based on my information and belief as of the date of this attestation.
