RE: Avista Corporation – Docket Nos. UE-190334 / UG-190335 / UE-190222 – Supplemental Compliance Filing

Based on discussions with Commission Staff, attached for filing with the Commission is an electronic copy of the Company's supplemental revisions to the following tariff sheets in compliance with the Commission's Order No. 09 in the above referenced dockets.

Substitute Original Sheet 194

In tariff Sheet 194 the Company inadvertently referred to the rates as an "increase" to customers when the tariff should have stated "decrease". That inaccuracy has been corrected in this supplemental filing.

In addition, the Company is re-submitting Attachments 3 & 4, decoupling baseline revenue per customer, to correct the footers on the documents that were referencing the incorrect attachments. There are no number changes or tariff changes associated with the revised attachments.

Please direct any questions related to decoupling (Attachments 3 & 4) to Tara Knox at 509.495.4325 and all other tariff questions (Attachments 1 & 2) to Joe Miller at 509.495.4546.

Sincerely,

/s/ Patrick Ehrbar
